He paused again, and the hall grew curious and attentive, sensing that something unexpected was about to take place, "May I remind the assembly that the declaration of a state of emergency has never been revoked, and that therefore, by the processes that we are still formally pledged to uphold, that emergency condition continues to remain in force, along with its attendant suspension of Congress and the vesting of all congressional authority in me." Puzzled expressions greeted his words, and a ripple of surprised murmurings ran around the hall. "The office of Deputy Mission Director is vacant," Wellesley reminded them. "Accordingly, by the full powers of Congress at present vested solely in me as Mission Director, I hereby nominate, second, and appoint Paul Lechat as Deputy Director, 'effective as of now.'" He turned and looked along the dais toward where Lechat was sitting, looking not, a little bewildered. "Congratulations, Paul. And now would you kindly take your rightful place." He gestured at the empty chair next to him. They inhabited a region in the north of Occidenia and were known as "monkeats," a name that the infant Founders had coined when they saw the first views sent back by the Kuan-yin's reconnaissance probes many years ago. They were omnivores that had evolved from pure carnivores, possessed a highly developed social order, and were beginning to experiment with the manufacture of simple hand tools. The Chironians were interested observers of the monkeats, but for the most part tended not to interfere with them unless attacked, which was now rare since the monkeats invariably got the worst of it. Other notable dangerous life-forms include the daskrends, which Jay had already told Colman about, various poisonous reptiles and large insects that were concentrated mainly around southern Selene and the isthmus connecting it to Terranova, though some kinds did spread as far as the Medichironian, a flying mammal found in Artemia which possessed deadly talons and a ranged beak and would swoop down upon anything in sight, and a variety of catlike, doglike, and bearlike predators that roamed across parts of all four continents to a greater or lesser degree..".Shouldn't it?..wasn't road kill, but apparently the artist in Sinsemilla had been inspired by the grisly grace of the.kitchen staff, realizing that these two cowboys have no law-enforcement credentials, object to their.in New Orleans..".Colman looked unconsciously toward Kath for her opinion..".A stripper. Jean took the boots and turned them over in her hands. Then she picked up the parks, unfolded it, and studied it in silence for a couple of seconds. "But . . . these are good, Jay," she said. A concerned expression spread over her face. "Where . . . how did you get them? I mean... what's all this going to cost?".Celia shook her head. "Nobody until now..".Celia looked down at the glass in her hand and bit nervously at her lip. "I don't know," was all she could whisper. Stern watched her impassively. In the end she shook her head. "No..".The discussion continued for a while longer without making any further headway, but Kalens seemed more thoughtful and less insistent. Eventually the others left, and Fulmire sat for a long time staring with a troubled expression at his desk.
