And these days, we will problem you to use analyzing **Available Catalogue Of Ohio University Athens Ohio 1904 1905 And Circular Of Information For 1905 1906 LRF** as among the analyzing material to perform quickly. r. The Heathcock and the Tortoises dccccxiv.As for King El Aziz, he lived after this seven years and was admitted to the mercy of God the Most High; whereupon his son El Abbas carried him forth to burial on such wise as beseemeth unto kings and let make recitations and readings of the Koran, in whole or in part, over his tomb. He kept up the mourning for his father a full-told month, at the end of which time he sat down on the throne of the kingship and judged and did justice and distributed silver and gold. Moreover, he loosed all who were in the prisons and abolished grievances and customs dues and did the oppressed justice of the oppressor; wherefore the people prayed for him and loved him and invoked on him endurance of glory and kingship and length of continuance [on life] and eternity of prosperity and happiness. Moreover, the troops submitted to him and the hosts from all parts of the kingdom, and there came to him presents from all the lands. The kings obeyed him and many were his troops and his grandees, and his subjects lived with him the most easeful and prosperous of lives.. . . . Ask mine eyes whether slumber hath lit on their lids since the hour of your loss Or if aye on a lover they've looked. Nay, an ye believe not their tale..When Er Reshid heard this, he was sore chagrined and waxed exceeding wroth and said, "Shall this happen in a city wherein I am?" And the Hashimi vein (42) started out between his eyes. Then he bade fetch Jaafer, and when he came before him, he acquainted him with the matter and said to him, "Shall this come to pass in my city and I have no news of it?" Then he bade Jaafer fetch all whom the young Damascene had named [as having maltreated him], and when they came, he let smite off their heads. Moreover, he summoned him whom they called Ahmed and who had been the means of the young man's deliverance a first time and a second, and thanked him and showed him favour and bestowed on him a sumptuous dress of honour and invested him with the governance over his city. (43).When she awoke, she said to the old man, "O elder, hast thou aught of food?" And he answered, "O my lady, I have bread and olives." Quoth she, "That is food fit but for the like of thee. As for me, I will have nought but roast lamb and broths and fat rissoled fowls and stuffed ducks and all manner meats dressed with [pounded nuts and almond-]kernels and sugar." "O my lady," replied the Muezzin, "I never heard of this chapter in the Koran, nor was it revealed unto our lord Mohammed, whom God bless and keep!" (31) She laughed and said, "O elder, the matter is even as thou sayest; but bring me inkhorn and paper." So he brought her what she sought and she wrote a letter and gave it to him, together with a seal-ring from her finger, saying, "Go into the city and enquire for such an one the money-changer and give him this my letter."..Now he was the king of the land of Serendib, (207) and he welcomed me and entreated me with kindness, bidding me be seated and admitting me to his table and converse. So I talked with him and called down blessings upon him and he took pleasure in my discourse and showed me satisfaction and said to me, 'What is thy name?' 'O my lord,' answered I, 'my name is Sindbad the Sailor;' and he said, 'And what countryman art thou?' Quoth I, 'I am of Baghdad.' 'And how earnest thou hither?' asked he. So I told him my story and he marvelled mightily thereat and said, 'By Allah, O Sindbad, this thy story is marvellous and it behoveth that it be written in characters of gold'.33. Ali the Persian and the Kurd Sharper cccxiv.Haste not to that thou dost desire; for haste is still unblest, ii. 88..As the version of the sixth and seventh voyages of Sindbad the Sailor contained in (197) the Calcutta Edition (1814-18) of the first two hundred Nights and in the text of the Voyages published by M. Langles (Paris, 1814) differs very materially from that of the complete Calcutta (1839-42) Edition (198) (which is, in this case, practically identical with those of Boulac and Breslau), adopted by me as my standard text in the translation of "The Book of the Thousand Nights and One Night," the story of the seventh voyage in particular turning upon an altogether different set of incidents, related nearly as in the old version of M. Galland, I now give a translation of the text of the two voyages in question afforded by the Calcutta (1814-18) Edition, corrected and completed by collation with that of M. Langles, from which it differs only in being slightly less full. It will be observed that in this version of the story the name Sindbad is reserved for the Sailor, the porter being called Hindbad.. . . . b. The Second Voyage of Sindbad the Sailor dliiii.11. The Hermits cxlviii.When the king heard this, he said, "Restore him to the prison till the morrow, so we may look into his affair; for that deliberation in affairs is advisable and the slaughter of this [youth] shall not escape [us]". O morn, our loves that sunder'st, a sweet and easeful life Thou dost for me prohibit, with thy regard austere..Endowed with amorous grace past any else am I, ii 253..Rich Man and his Wasteful Son, The, i. 252.. . . . d. The Tailor's Story cxxxvi.With this the king bade the vizier go away to his lodging, and when he arose in the morning, he abode his day in his house..(continued)..When three nights had passed over her with their days of the second month, she despaired of him and her tears dried not up. Then she resolved to take up her abode in the city and making choice of a dwelling, removed thither. The folk resorted to her from all parts, to sit with her and hearken to her speech and witness her good breeding; nor was it but a little while ere the king of the city died and the folk fell out concerning whom they should invest with the kingship after him, so that strife was like to betide between them. However, the men of judgment and understanding and the folk of experience counselled them to make the youth king who had lost his brother, for that they doubted not but Selma was a man. They all consented unto this and betaking themselves to Selma, proffered her the kingship. She refused, but they were instant with her, till she consented, saying in herself, 'My sole desire in [accepting] the kingship is [to find] my brother.' Then they seated her on the throne of the kingdom and set the crown on her head, whereupon she addressed herself to the business of administration and to the ordinance of the affairs of the people; and they rejoiced in her with the utmost joy..Thou that wast absent from my stead, yet still with me didst bide, iii. 46..Then he went to fetch that which he had hidden of the grain, but found it not and returned, perplexed and sorrowful, to the old man, who said to him, 'What aileth thee to be sorrowful?' And he answered, 'Methought thou wouldst not pay me my due; so I took of the grain, after the measure of my hire; and now thou hast paid me my due and I went to bring back to thee that which I had hidden from thee, but found it gone, for those who had happened upon it had stolen it.' The old man was wroth, when he heard this, and said to the merchant, 'There is no device [can cope] with ill luck! I had

given thee this, but, of the sorriness of thy luck and thy fortune, thou hast done this deed, O oppressor of thine own self! Thou deemedst I would not acquit thee thy wage; but, by Allah, nevermore will I give thee aught.' And he drove him away from him..? ? ? ? p. The Sixteenth Officer's Story dccccxl.? ? ? ? My outward of my inward testifies And this bears witness that that tells aright. (39).? ? ? ? O blamer of me for the love of him who denieth his grace, Which be the delightsome of things, but those which the people deny?.109. The Woman who had a Boy and the other who had a Man to Lover ccccxiv.? ? ? ? j. The Tenth Officer's Story dccccxxviii.? ? ? ? Lovely with longing for its love's embrace, The fear of his estrangement makes it lean..Meanwhile, the woman went out at hazard and donning devotee's apparel, fared on without ceasing, till she came to a city and found the king's deputies dunning the towns-folk for the tribute, out of season. Presently, she saw a man, whom they were pressing for the tribute; so she enquired of his case and being acquainted therewith, paid down the thousand dirhems for him and delivered him from beating; whereupon he thanked her and those who were present. When he was set free, he accosted her and besought her to go with him to his dwelling. So she accompanied him thither and supped with him and passed the night. When the night darkened on him, his soul prompted him to evil, for that which he saw of her beauty and loveliness, and he lusted after her and required her [of love]; but she repelled him and bade him fear God the Most High and reminded him of that which she had done with him of kindness and how she had delivered him from beating and humiliation..Picture, The Prince who fell in love with the, i. 256.
