Evidently, Jacob had made a quick trip to his apartment over the garage and, with no thought for mice and dust, had not closed the back door. Junior said, "You've caused me a lot of trouble, you know." He'd been building a beautiful rage all night, thinking about what he'd been through because of the girl's temptress mother, whom he saw so clearly in this pint-size bitch. "So much trouble..". Having gotten the new roof for them at cost, Agnes subsequently put together donations from a dozen individuals and one church group to cover all but two hundred dollars of the outlay.. In the city again, he stopped long enough to donate the raincoat to a homeless man who didn't notice the few odd stains. This pathetic hobo happily accepted the fine coat, donned it- and then cursed his benefactor, spat at him, and threatened him with a claw hammer.. Instead, her father asked, "Is this emotion talking, Celie, or is this brain as much as heart?". Abruptly, without a cannonade of thunder, without artillery strikes of lightning, the storm broke. As loud as marching armies, rain tramped across the roof.. Golden lamplight gilded the front windows downstairs. He would sit with Victoria on the living-room sofa, sipping wine as they got to know each other. She might tell him to call her Vicky, and maybe he'd ask her to call him Eenie, the affectionate name Naomi had given him when he wouldn't tolerate Enoch. Soon, they would be necking like two crazy kids. Junior would disrobe her on the sofa, caressing her smooth pliant body, her skin buttery in the lamplight, and then he would carry her, naked, to the dark bedroom upstairs.. Harmonizing with Diana Ross, Mary Wilson, and Florence Ballard, he drove to the granite quarry three miles beyond the town limits.. Those ominous words again, turning through his memory, reel to reel. This time he actually heard them spoken. The voice commanded minded attention with a deeper timbre and crisper diction than his own.. The various flavors of canned soda were always racked in the same order, allowing Barty to select what he wanted without error. He got orange for Angel, root beer for himself, and closed the refrigerator.. "Yes. More about that later, just let me make it clear that an interest in physics doesn't make me a physicist. Even if I were, I couldn't explain quantum mechanics in an hour or a year. Some say quantum

theory is so weird that no one can fully understand all its implications. Some things proven in quantum experiments seem to defy common sense, and I'll lay out a few for you, just to give you the flavor. First, on the subatomic level, effect sometimes comes before cause. In other words, an event can happen before the reason for it ever occurs. Equally odd ... in an experiment with a human observer, subatomic particles behave differently from the way they behave when the experiment is unobserved while in progress and the results are examined only after the fact-which might suggest that human will, even subconsciously expressed, shapes reality." At the mention of her son's name, Agnes stiffened. There were numerous ways for Deed to have learned the baby's name, yet it seemed wrong for him to know it, wrong to use it, the name of this child he had nearly orphaned, had almost killed..Eventually he approached the door between the dining room and the kitchen. He paused there, listening..As Sinatra began to sing "I'll Be Seeing You," Junior stepped around the bloom and the Merlot. He cautiously peeled back two inches of the curtain at one of the sidelights..As the fragrances of wet wool and sodden denim rose from her sweater and jeans, Agnes switched on the heater and angled the vanes of the middle vent toward Barty. "Honey, turn that other vent toward yourself." "No, no. But being around him so much, inevitably I absorb some details. He's a compelling speaker when the subject interests him."..He was a patriotic guy, and he preferred American rock to the British brand. He had nothing against the English, no prejudices against people of any nationality. Nevertheless, he believed that the American Top 40 ought to feature American music exclusively..He'd wanted to give Celestina more help than she would accept. She continued working nights as a waitress for two years, while she completed classes at the Academy of Art College, and she quit her job only when she began to sell her paintings for enough to equal her wages and gratuities..Posing as a counselor with Catholic Family Services, he phoned each listed Bartholomew, with a question related to his or her recent adoption. Those who expressed bafflement, and who claimed not to have adopted a child, were generally stricken from his list..were a favorite pair when he was puttering around the house on weekends. "Oh," he said, "that dog." "Nonsense," Agnes breezed on, "it's no imposition. You'll be a great help with my baking, the pie deliveries, all the work that I put aside during Barty's surgery and recovery. It'll either be fun, or I'll wear you down to the bone, but either way, you won't be bored. I've got two extra rooms. One for Celie and Angel, and one for Grace. When your Wally arrives, we can move Angel in with Grace, or she can bunk with me."..The spirit of Bartholomew . . . will find you ... and mete out the terrible judgment that you deserve..Requital. Restitutional apology, which must have been learned in a law school where English was the second language. Even atonement..I Junior didn't believe in ghosts, anyway. He believed in flesh and bone, stone and mortar, money and power, himself and the future..Looking down at Barty, Agnes saw the ghost of Joey in the baby's face, and although she half believed that her husband would be alive now if he had never tempted fate by putting such a high price on his life, she couldn't find any anger in her heart for him. She must accept this final generosity with grace-if also without enthusiasm..The reverend made the first toast, speaking so softly that his tremulous words seemed to bloom in Celestina's mind and heart rather than to fall upon her ears. "To gentle Phimie, who is with God."..The formless apprehension with which she had awakened at 1:50, Tuesday morning, had returned to her from time to time during the past couple days. Now, here it came again, pinching her throat and tightening her chest-at last beginning to take form..Alarmed, concerned that his patient's emotional reaction would lead to racking sobs, which in turn might stimulate abdominal spasms and renewed vomiting, Parkhurst called for a nurse and prescribed the immediate administration of diazepam..That same day, he dared to visit two galleries. Neither of them had a pewter candlestick on display..The sill was about four and a half feet off the lavatory floor. With both hands, Junior levered himself onto it.. "This will stay with you," Mary said. "It's shared sight from all the other yous in all the other places, but you won't have to make any effort to hold on to it. No headaches. No problems ever. Merry Christmas, Daddy." "You know Mommy," Barty said, almost desperately sponging up the sight of his little girl's face and wringing the images into his memory to sustain him in the next long darkness..MONDAY EVENING, January 15, Paul Damascus arrived at the hotel in San Francisco with Grace White. He had kept watch over her in Spruce Hills for more than two days, sleeping on the floor in the hall outside her room both nights, remaining close by her side when she was in public. They stayed with friends of hers until Harrison's funeral this morning, then flew south for a reunion of mother and daughter..Tom knew only three of the eight. Grace White, Angel, and Paul Damascus. The others were introduced quickly by Celestina. Agnes Lampion, their hostess. Edom and Jacob Isaacson, brothers to Agnes. Maria Gonzalez, best friend to Agnes. And Barty..Deed flinched. "No reason. But I sure never did mean you or your husband any harm, Mrs. Lampion. And not your baby, either, not little Bartholomew."..A sofa and one armchair provided the seating in the living room. No coffee table. A small table beside the chair. A wall unit held a fine stereo system and a few hundred record albums..Third, Celestina had a daughter. Not a boy named Bartholomew. Seraphim's baby had been a girl. Named Angel. This confused Junior as much as it stunned him..The minister had finished. The service was over. No one came to Junior with condolences, because they would see him again shortly, at the Ford dealership buffet.."I don't know." He was silent a moment. "That's what's going to be interesting."..The rich aromas on the air would have thwarted the will of the most devout monks on a fast of penitence..As kinky and thrilling as it had been to make love to the girl while playing the recorded rough draft of a new sermon that she had been transcribing for her father, Junior could now recall nothing of what the reverend had said, only the tone and the timbre of his voice. Whether instinct, nervous irritation, or merely the sherry should be blamed, he was troubled by the thought that there was something significant about the content of that tape.."This card to mean also is family love, and is love from many friends, not just to be kissy-kissy love," Maria elucidated.
